25X1 6. [] MAS) Dennis Taylor, in the office of Senator
25X1 Wallace Bennett (R., Utah) called and requested the 23rd and 25th
October issues of the []
[]

25X1 []

25X1 8. [] JSW) Delivered to Robert Michaels, House
Appropriations Committee staff, a blind memorandum dated 30 October 1967
giving characteristics of the STYX missile which Representative Glenard
Lipscomb had requested be obtained.

25X1 9. [] JSW) [] John S. Warner met
with George Murphy, of the Joint Committee on Atomic Energy staff, in
response to [] 25X1
25X1 requesting information on the [] case. It was indicated that there
25X1 was no evidence that [] had access to Restricted Data which was
essentially the question in the letter. Murphy asked numerous other
25X1 peripheral questions. [] did his best to answer without going into
sensitive matters. Eventually Mr. Murphy asked for a copy of the
damage assessment report and Mr. Warner advised that this could not be
made available. Murphy also asked for details on [] I 25X1
indicated it was too early in the game to furnish him anything useful
although a preliminary report would indicate no evidence yet of access
to Restricted Data but that this must be regarded as tentative. Murphy
was most unhappy that we could not discuss the case with him. I explained
he was asking the impossible since it was simply too early.

25X1 10. [] JSW) Talked with Frank Meyer, in the
office of Representative Gerald Ford, who advised that Mr. Ford had
personally talked to Representatives Hall and Gross about the Rodino
bill.
